THE BUSINESS ROI OPPORTUNITY

Build Your Owned Digital Footprint and Drive Revenue Growth

Create a direct, opted-in connection with league players

Own and grow a valuable digital audience beyond third-party platforms

Increase repeat visits and customer loyalty through targeted engagement

Link player engagement directly to measurable revenue outcomes

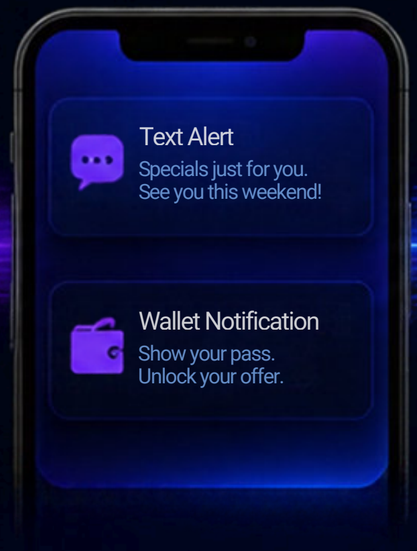

Direct Access to League Players

Real-Time Text Alerts and Wallet Notifications That Drive Visits

Your Business

Timely updates, promotions, and game-day alerts

Text Alerts & Wallet Pass

Opted-In League Players

Players

Receive messages directly in the channel they use every day

More Visits & Redemptions

Visits & Redemptions

More foot traffic, higher engagement, measurable results

- Send real-time text alerts and wallet pass notifications
- Share events, reminders, specials, and promotions instantly
- Reach opted-in players directly—no third-party platforms
- Drive visits, increase loyalty, and grow measurable revenue

HOW IT WORKS

Seamless Enrollment, Engagement, and ROI Measurement

Player Enrolls

Players join your VeraTaps Wallet Pass with ease.

Check In

Players check in at events and venues to build engagement.

Targeted Campaigns

Deliver relevant offers via wallet pass and text alerts.

Capture Transactions

Integrate with POS and transaction data to capture spending.

Measure ROI

Track performance in real time and prove business impact.

REVENUE ANALYTICS AND ROI DASHBOARD

Turn Engagement Into Actionable Business Insights

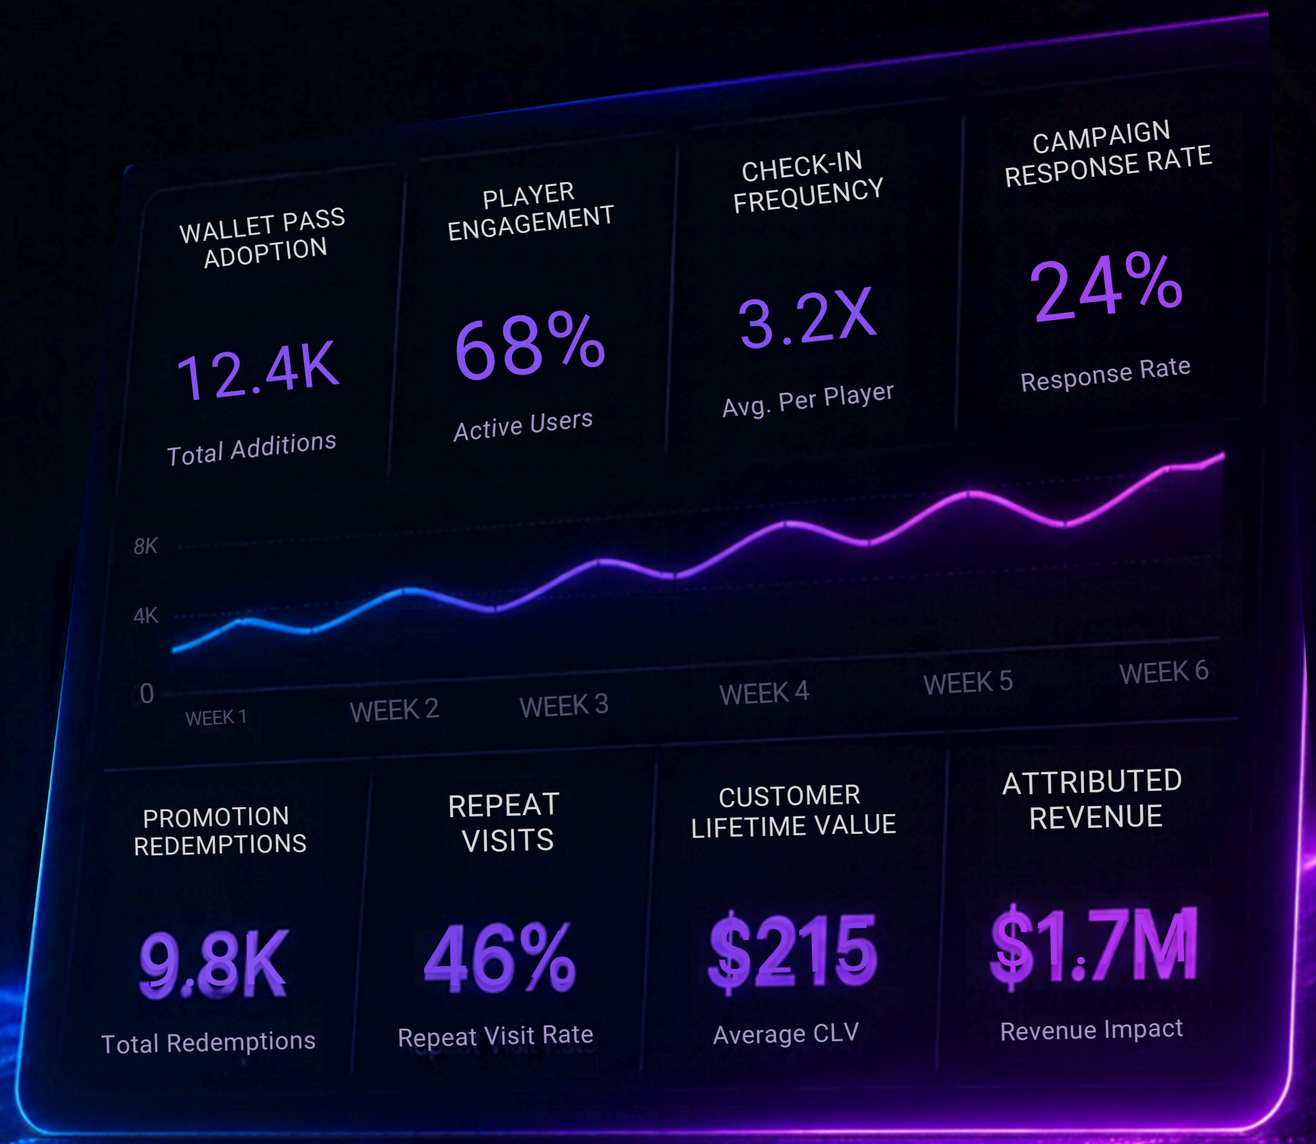

Monitor wallet pass adoption and player engagement

Track check-in frequency, campaign delivery, and response rates

Measure promotion redemptions, repeat visits, and customer lifetime value

Attribute revenue directly to campaigns and player actions

Use insights to optimize marketing strategies without guesswork
